Date: 12th September 2024

Dear Edith Weston Parish Council,

Thank you for submitting your proposal to the Highway Concerns Process to consider the Speeding issues at the above location. Please accept my apologies for the delay in responding. As you know due to significant demand, we suspended the process and the working group which oversees it, pending a review of the process.

We have reviewed all the requests in the system currently and I am sorry to inform you that your request, ITCP-2023-27, has not been approved for further investigation. The reasons are insufficient data to support the request.

Additionally, I am pleased to say that we are currently reviewing and developing the Highway concerns process aiming to restart it in 2025. Once we have completed development, we will write again to provide details.

Yours faithfully
