### Re: An invitation to LLR ICB's Annual General Meeting (AGM) 2023/24

Dear Stakeholder

We are proud to invite you to the Leicester, Leicestershire and Rutland Integrated Care Board's (LLR ICB) Annual General Meeting (AGM) on **Thursday 26 September 2024, between 6-7pm at the Leicester Tigers Rugby Club on Aylestone Road**. Registration will take place from 5.30pm and refreshments will be provided.

The AGM will be an opportunity for members of the public, our partners and stakeholders to look back at our progress and achievements during 2023/24 and find out about our financial position and priorities moving forward, as we reflect on our second year of overseeing local health services set out our plans for the year ahead.

The LLR ICB was formally established in July 2022, when we replaced the three Clinical Commissioning Groups that covered the LLR area. ICBs are responsible for making plans to meet the health needs of local people and for arranging and managing the budget for NHS services.

Our Board members will also be available to provide an overview of key successes and to answer any questions you may have during a questions and answers session.

As we are keen to answer as many questions as we can, we are requesting that you submit any questions you may have by **Friday 20 September**, so that we can plan for responses to be provided on the day.

If you would like to submit a question please email our Enquiries team at:
